2015 COMPENDIUM AMENDMENT: 36 CFR 1.7 Public Notice

AUTHORITY

Under the authority of 54 U.S.C. Section 100751(a), and Title 36 Code of Federal Regulations §1.5 (a) (1) the Superintendent is closing the following portion of the park to all public use. This closure is necessary for one or more of the following reasons: the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities.

Section 1.5 Closures and Public Use Limits

The following area is temporarily closed to public entry beginning May 27, 2015:

Generally: Approximately 2.6 acres surrounding the "Old Administration" building on the east side of the Beaver Creek administrative area – please see specific closure description and attached map.

Specifically: Specifically all lands within the following boundaries: The southeast extent of closure begins at UTM 521449, 4836978 (NAD83), at the furthest east "Y" intersection of the Beaver Creek residents road. The south boundary of the closure runs parallel along the main southern loop of the Beaver Creek residents road for approximately 130 meters to its southwest boundary at UTM 521333, 4836999. The west boundary extends approximately 75 meters to the north to a metal storage unit at its northwest corner at UTM 521332, 4837071. The northwest boundary runs along the south and east edges of the storage unit to the main northern loop of the Beaver Creek residents road at UTM 521341, 4837085. The north and eastern boundary runs parallel to the main northern loop of the Beaver Creek residents road for approximately 200 meters back to the far eastern "Y" intersection of the Beaver Creek residents road. The area inside these boundaries is closed to all human traffic. See attached map.

DETERMINATION

The National Park Service has established this closure as necessary for the protection of denning foxes and their young.
